## NOTES

The Loan Investment Summary table represents loans made by MoneySpot Finance Pty Ltd, a credit licensee and associated company of MSI Funds Management Limited, the responsible entity. The Fund lends money to MoneySpot Finance at an arm's length basis and at normal commercial terms. MoneySpot Finance on-lends those funds to thousands of consumers every month, as depicted in the chart above.

Average Bad Debt is calculated by taking the previous 12 months average bad debt once any given month is fully collected. It generally takes 12 months for loans made in any given month to be fully collected and any outstanding loans referred for collection, written off or sold.
